---

## Battlefield at Legends on the Niagara

The imposing Battlefield course is located on the north side of the Legends on the Niagara property. Golf Architect Douglas Carrick created a truly unique course that challenges every level of golfer with a nice mix of wide, links-style holes with generous fairways and greens.

---

## Ussher's Creek at Legends on the Niagara

One of Golf Architect Thomas McBroom's finest masterpieces, this challenging, parkland course at Legends on the Niagara features thick stands of deciduous trees, wetland hazards, knee-high fescue rough and impeccable conditioning from tee to green.

---

## All Access Pass

No other golf program or membership offers unlimited access to three championship golf courses, offering the best golf in Niagara Falls, just minutes apart. Choose from our affordable 50-packs and save on great golf. All Access Pass is available for use at Battlefield, Ussher's Creek & Whirlpool. Chippawa has separate 50-pack options.

\*All pricing is in CAD

---

## Whirlpool Golf Course

One of Canada's most highly rated and renowned public golf courses. Opening in 1951, Whirlpool Golf Course was the final course completed by the legendary course architect Stanley Thompson. This classic parkland course sits atop the stunning Niagara Whirlpool and Gorge.

---

## Chippawa at Legends on the Niagara

The Chippawa 9-hole course at Legends on the Niagara is the perfect complement to the larger Battlefield and Ussher's Creek courses. Each hole brings a different challenge, and scores worse than par can be made if you miss the green from the tee.
